

FIDDLE FANDEMONIUM 3 ~ FIVE FIDDLERS, FIVE STYLES, ONE UNFORGETTABLE NIGHT
JUNE 6, Centre 150, 150 Industrial Crescent, Summerside

For Immediate Release

SUMMERSIDE, PE – Richard WOOD Live! is proud to present Fiddle FANDEMONIUM 3 on Friday, June 6th at Centre 150, 150 Industrial Crescent, Summerside, Prince Edward Island. This high-energy show brings together five dynamic fiddlers and five distinct styles in a rare performance inspired by the popular “songwriters circle” format—with fiddlers taking the lead, sharing tunes, stories, and styles.

Joining acclaimed PEI fiddler Richard WOOD on stage are fiddle masters: Ivan Hicks, Tim Chaisson, Karine Gallant, and Melissa Gallant. Together, they’ll explore five fiddle styles: Old Tyme, Acadian, Irish, Scottish, and Cape Breton, celebrating the deep roots and exciting evolution of traditional music across the East Coast and beyond.

Supporting this powerhouse lineup are the incredibly talented musicians, Kimberley Holmes and Vivian Hicks on piano, and Brent Chaisson on guitar. The evening also shines a spotlight on Samuel Stretch, the inaugural recipient of the Wood Family Fiddle Scholarship, and features energetic dance performances by Isla Rousseaux-Bridle and Alexis MacLaren.

Centre 150 is a fully accessible, luxury soft seat theatre with free parking. Audience members can also enjoy an onsite treat from Holman’s Ice Cream Truck—be sure to try Richard WOOD Twist! There will also be artist merchandise available for sale, and a 50/50 draw with proceeds supporting the Wood Family Fiddle Scholarship at Holland College.

Fiddle FANDEMONIUM is an annual celebration of culture, creativity, and community. Don’t miss this genre-blending, toe-tapping night of fiddle brilliance!
