

On June 19th, **2022** (Father's Day) CFTA 107.9 aired a 2 hour special I produced on Wilf Carter.

It was called Wilf Carter – Canada's Very First Superstar.

Many folks have been asking to hear it again so on **Saturday June 22nd at 7 PM the Wilf Carter 2 hour special will air again.** Right after Bluegrass Island.

I heard from many people about that show. Wilf still has a lot of fans out there.

Regarding my weekly show The Gospel Trail, I am currently working on program 657 for May 26th.

Back on April 28th-29th I dedicated the entire program to George Jones, my there are still tons of George Jones fans out there.

May 12th-13th is all 100% East Coast artists for my Mother's Day show.

May 19th-20th I am featuring Carl Butler & Pearl on the program playing 10 of their songs.

Show airs Sunday at 9 am & its re-aired Mondays at 6 PM.

I always referred to them as Carl & Pearl Butler, but I realized all their albums are called Carl Butler & Pearl. They are my all-time favorite singing duo.

Take care & be well.
